

APPLICATION INSTRUCTIONS FOR A DENTAL LICENSE

There are **two** pathways for licensure in Virginia, **licensure by examination** or **licensure by credentials**. Read through the application instructions carefully before deciding which pathway to pursue. A **completed** application shall include the following unless otherwise stated below. An incomplete application and/or fee will delay the processing of your application. Incomplete applications remain active for one year from the date of receipt. After one year from date of receipt, you would need to reapply for Virginia licensure. Documents submitted with an application are the property of the Board of Dentistry and cannot be returned. If you need to receive approval to sit for a clinical exam, then you would need to use the pathway for licensure by examination application and select a testing agency in order to be approved.

You may view the status of the checklist items for your application by visiting the Online Applications website, creating an online account, log in with your User ID and Password, and clicking on the "**View Checklist**" link in the Pending Licenses section. Using the View Checklist feature will allow you to review which application items have been completed and which are still outstanding.

- _____ 1. **Application:** Please be sure that all information and questions are completed on the application.
- _____ 2. **Application Fee:** The fee for a **dental license by examination is \$400** and the fee for a **dental license by credentials is \$500**, which must be paid online using a VISA, MasterCard or Discover. The fee can be used for one year from date of receipt. Pursuant to 18VAC60-21-40(G), all fees are non-refundable. Faxed copies are not acceptable. Applicants must submit a Form A for **each** degree and/or certificate earned from a dental program accredited by CODA or CDAC. The school may use this form or its own form to meet this requirement. The certification form must bear the school's seal or be on letterhead bearing the school's seal and must include the program's CODA/CDAC accreditation status at the time you completed the program. This information is only accepted from programs accredited by CODA or CDAC. Documentation from foreign schools is not required and will not be considered. In addition to live patient clinical examinations, for 2020 only, the Board will accept from **Dental licensure applicants** a clinical dental examination which includes a simulated manikin exercise in restorative dentistry. The Board also decided to waive the scaling exercise with live patients in a 2020 clinical dental examination given by a testing agency accepted by the Board - CITA, CDCA, SRTA, CRDTS and WREB.

2021 CLINICAL EXAMINATIONS ACCEPTED FOR LICENSURE
