The Board works as efficiently as possible to process applications. The time from filing an application with the Board until the issuance of a license is dependent upon entities over which the Board has no control. It is the applicant’s responsibility to ensure that outside entities send the necessary documentation to the Board in a timely manner.

The Board provides an electronic checklist for your convenience in tracking your application. You should allow approximately 5 business days from the date of submission for your application checklist to appear on the Board’s website. Supporting documentation will be added to your checklist as it is received. Processing of documents may take up to 10 business days after they are received.

If you find your checklist does not exist or indicates that documents have not been posted in accordance with the timeframes noted, e-mail the Board at medbd-endorsement@dhp.virginia.gov with “Application Question” in the subject line. The Board strives to answer all e-mail inquiries within 2 business days.
