- **COMPACT INFORMATION:**
  Virginia is a *Nurse Licensure Compact (NLC)* participating state. In order to receive a license with *multi-state privilege(s)*, an applicant must meet all *Uniform Licensure Requirements (ULRs)* in accordance with *Virginia Code § 54.1-3040.3 C*. If you do not meet all *ULRs* OR you reside in a ‘non-compact’ state, you may be eligible for a single-state license authorizing practice only in Virginia. *For current information on the NLC* go to: [https://www.ncsbn.org/nurse-licensure-compact.htm](https://www.ncsbn.org/nurse-licensure-compact.htm).

  If your *Primary State of Residence (PSOR)* is a *compact* state, you must apply for licensure in your *PSOR* (home state). PSOR is defined by the NLC as: *the state of a person’s declared fixed permanent and principal home or domicile for legal purposes*. If your *PSOR* is *Virginia* or a *non-compact state*, you must obtain a Virginia license to practice as a nurse in Virginia. Please indicate on the application your primary state of residence.

Registered Nurse applicants must have completed a minimum of 500 direct client care hours across the lifespan and Licensed Practical Nurse applicants must have completed a minimum of 400 direct client care hours across the lifespan.
