CHECKLIST INSTRUCTIONS
EXAMINATION APPLICATION

COMPACT INFORMATION:
Virginia is a Nurse Licensure Compact (NLC) participating state. In order to receive a license with multi-state privilege(s), an applicant must meet all Uniform Licensure Requirements (ULRs) in accordance with Virginia Code § 54.1-3040.3 C. If you do not meet all ULRs OR reside in a ‘non-compact’ state, you may be eligible for a single-state license authorizing practice only in Virginia. For current information on the NLC go to: https://www.ncsbn.org/nurse-licensure-compact.htm.

If your Primary State of Residence (PSOR) is a compact state, you must apply for licensure in your PSOR (home state). PSOR is defined by the NLC as: the state of a person’s declared fixed permanent and principal home or domicile for legal purposes. If your PSOR is Virginia or a non-compact state, you must obtain a Virginia license to practice as a nurse in Virginia. Please indicate on the application your primary state of residence.

Registered Nurse applicants must have completed a minimum of 500 direct client care hours across the lifespan and Licensed Practical Nurse applicants must have completed a minimum of 400 direct client care hours across the lifespan.

REQUIREMENTS BELOW - Check COMPLETED applicable items included with your application:

☐ Completed Application to VBON and required Fee: acceptable fees include payment by credit/debit card (online applicants only); or if required to apply by mail, include check or money order made payable to Treasurer of Virginia. Your application will not be reviewed until you have submitted payment and fees are non-refundable.

☐ Complete fingerprint-based Criminal Background Check (CBC): required by Virginia Code § 54.1-3005.1: Register for fingerprinting exclusively through Fieldprint Va. You may not register for fingerprinting until you submit an application to the Board. Online applicants will receive an application confirmation receipt that contains a VBON Fieldprint Code required to register for fingerprinting. *Online applicants will also see their Fieldprint Code at the top of the checklist instructions page. More information for initiating the CBC may be found at VBON CBC Info.

☐ Official Attestation of Graduation (Attestation) or Final Transcript: Virginia Nursing programs only may submit an Attestation letter (Attestation) directly to the Virginia Board of Nursing that confirms program completion, in lieu of individual transcripts. Confirm with your nursing program director if your program sends Attestations. If your program sends Attestations, do NOT request a transcript.

☐ Graduates of nursing schools located in other states/US Territories - Verification of Clinical Hours: If you attended a nursing program outside of Virginia, your FINAL official transcript must include evidence of the actual (direct client care) clinical hours broken down for each course.

☐ Complete a Separate Application with Pearson Vue to take the NCLEX Exam by registering online at: www.pearsonvue.com/nclex or by phone at 1-866-496-2539.
