RULES AND GUIDELINES

- Virginia law states that a person who has neither passed the examination nor been issued a license as a Clinical Psychologist, even if they have completed the necessary number of supervised practicum or residency hours, must not engage in the provision of Clinical Psychology services except as a Board approved “Resident in Clinical Psychology”. The only exception is providing Clinical Psychology services in an exempt setting. See, [Law 54.1-3601](#) for exemptions.
- Please notify the Board in writing within 30 days of a name change or address change by completing the [Name/Address Change Form](#).
- Providing false or misleading information as well as omitting information in response to information requested in the application or as part of the application process is considered falsification of the application and may be grounds for denial of or taking disciplinary action against an existing registration, certification, or license.
- Pursuant to [Virginia Code § 54.1-2400.02](#) addresses of residents are made available to the public. Normally, the Address of Record is the publicly disclosed address. If you do not want your Address of Record to be made public, you may provide a second, publicly disclosable address (e.g. work or practice address). If you would like your Address of Record to be publicly available, please complete both sections with same address on the application.
- Pursuant to [Virginia Code § 54.1-116 \(A\)](#), you are required to submit your social security number, or your control number issued by the Virginia Department of Motor Vehicles*. If you fail to do so, the processing of your application will be suspended, and fees will not be refunded. This number will be used by the Department of Health Professions for identification and will not be disclosed for other purposes except as provided for by law.
