BEFORE YOU PROCEED, READ THE FOLLOWING POINTS CAREFULLY!

This is the application for a full and unrestricted Chiropractic license to practice chiropractic care in Virginia.

The Board works as efficiently as possible to process applications. The time from filing an application with the Board until the issuance of a license is dependent upon entities over which the Board has no control. It is the applicant’s responsibility to ensure that outside entities send the necessary documentation to the Board. You should not expect the process to take less than 3-4 months, so plan accordingly if you are pursuing a practice position in Virginia.

The Board provides an electronic checklist for your convenience in tracking your application. You should allow approximately 30 days for your application checklist be first updated on the Board’s website. Supporting documentation will be added to your checklist as it is received. Processing of documents may take up to 10 business days after they are received. If you find your checklist does not exist or does not indicate necessary documents have been received, e-mail the Board at medboard@dhp.virginia.gov with “Chiropractic Application Question” in the subject line. E-mails will be answered within 2 business days.

Your application checklist may be viewed by logging into your application and clicking on the “View Checklist” link located in the Pending Licenses section. This link will not be visible for applicants who have not yet paid the application fee. If you have submitted your application and required fee online, but no longer see your checklist listed in the Pending Licensing section, your license may have been issued by the Board. Please visit https://dhp.virginiainteractive.org/Lookup/Index and view your newly issued license. If you need technical assistance with your checklist contact the agency’s helpdesk at 804-367-4444. The helpdesk cannot provide assistance regarding information about your documents.

The Board of Medicine discourages the use of the United States Postal Service to send documents. If possible, and if noted below, you are encouraged to have your documents
sent by pdf attachment, FAX, FED EX or UPS. The Board is unable to trace documents not delivered by the post office.

Supporting documentation sent to the Board when there is no application on file will be purged after six months.

NB: Virginia law considers material misrepresentation of fact in an application for licensure to be a Class 1 misdemeanor. Misrepresentation may be by commission or omission. Be sure of your facts and provide full responses to the Board’s questions.
