

**INSTRUCTIONS FOR COMPLETING AN APPLICATION TO PRACTICE AS A RADIOLOGIC
TECHNOLOGIST IN VIRGINIA**

**THIS IS NOT THE APPLICATION FOR LIMITED RADIOLOGIC TECHNOLOGIST OR RADIOLOGIST
ASSISTANT.**

(This form has been designed to be used as a checklist when preparing to submit your application.)
APPLICATION FEES ARE NONREFUNDABLE

BEFORE YOU PROCEED, READ THE FOLLOWING POINTS CAREFULLY!

DO NOT BEGIN PRACTICING BEFORE YOU ARE ISSUED A LICENSE.

This is the application for a license to practice as a Radiologic Technologist.

You should familiarize yourself with the qualifications required for a license by reviewing the laws and regulations governing the practice of radiologic technology in Virginia. They can be found at:

http://www.dhp.virginia.gov/medicine/medicine_laws_regs.htm

The Board works as efficiently as possible to process applications. The time from filing an application with the Board until the issuance of a license is dependent upon entities over which the Board has no control. It is the applicant's responsibility to ensure that outside entities send the necessary documentation to the Board.

The Board provides an electronic checklist for your convenience in tracking your application. You should allow approximately 15 business days for your application checklist to be first updated on the Board's website.

Supporting documentation will be added to your checklist as it is received. Processing of documents may take up to 10 business days after they are received. If you find your checklist does not exist or does not indicate necessary documents have been received, e-mail the Board at radtech-medbd@dhp.virginia.gov, with "Radiologic Technologist Application Question" in the subject line. E-mails will be answered within 2 business days.

Your application checklist may be viewed by logging into your application and clicking on the "View Checklist" link located in the Pending Licenses section. This link will not be visible for applicants who have not yet paid the application fee. If you have submitted your application and required fee online, but no longer see your checklist in the Pending Licensing section, your license may have been issued by the Board. Before calling the Board, please visit <https://dhp.virginiainteractive.org/Lookup/Index> to view your newly issued license. This website is primary source license verification that meets the Joint Commission's requirements for license verification. If you need technical assistance with your checklist contact the agency's helpdesk at 804-367-4444. The helpdesk cannot provide assistance regarding information about your documents.

The Board of Medicine discourages the use of the United States Postal Service to send documents. If possible, and if noted below, you are encouraged to have your documents sent by pdf attachment, FAX, FED EX or UPS. The Board is unable to trace documents not delivered by the post office.

Supporting documentation sent to the Board when there is no application on file will be purged after six months.

NB: Virginia law considers material misrepresentation of fact in an application for licensure to be a Class 1 misdemeanor. Misrepresentation may be by commission or omission. Be sure of your facts and provide full responses to the Board's questions.

PROCEEDING TO THE APPLICATION SIGNIFIES THAT YOU HAVE READ AND ACCEPT THE FOREGOING PRINCIPLES REGARDING THE BOARD'S PROCESSES.
