If the issuing state/jurisdiction (agency) does not provide an original document, then the applicant must provide/submit the issuing agency statement as to why the issuing agency does not provide verification and submit a copy of the electronic version from the issuing agency website to the Board using either option.) Documentation from foreign countries is not required and will not be considered.

- ___ 10. **Address of Record and Publically Disclosable Address:** Consistent with Virginia law §54.1.2400.02 and the mission of the Department of Health Professions, addresses of licensees are made available to the public. Normally, the Address of Record is the publically disclosable address. If you do not want your Address of Record to be made public, state law allows you to provide a second, publically disclosable address. Typically, this other address is the work or practice address. If you would like for your Address of Record to be made available to the public, complete both sections with the same address.

Notes:

- If your Virginia license is not reinstated within 6 months of the date of the NPDB (National Practitioner Databank) Self Query Report and verification of state licensure, then you will be asked to submit a current NPDB Self Query Report and current state licensure certification before your application can be reviewed for approved.
- To receive notice that your supporting documents have been delivered to the Board, it is suggested that the documents be mailed using Fed-Ex or UPS with "Delivery Confirmation". **Mail sent by USPS is sent to a separate state processing facility that is offsite; therefore, mail can be delayed. If sending documentation certified by USPS it only verifies that it got to the processing facility and not the Board.**
- Applicants will be notified via email of missing application items within approximately 15 business days of receipt of an application. Once your application is complete, allow 30 business days processing time.
