APPLICATION INSTRUCTIONS FOR DENTAL HYGIENISTS

There are two pathways for licensure in Virginia, *licensure by examination* or *licensure by credentials*. Read through the application instructions carefully before deciding which pathway to pursue. A completed application shall include the following unless otherwise stated below. An incomplete application and/or fee will delay the processing of your application. Incomplete applications remain active for one year from the date of receipt. After one year from date of receipt, you would need to reapply for Virginia licensure. Documents submitted with an application are the property of the Board of Dentistry and cannot be returned.

You may view the status of the checklist items for your application by visiting the Online Applications website, creating an online account, log in with your User ID and Password, and clicking on the “View Checklist” link in the Pending Licenses section. Using the View Checklist feature will allow you to review which application items have been completed and which are still outstanding.

1. **Application**: Please be sure that all information and questions are completed on the application.

2. **Application Fee**: The fee for a dental hygiene license by examination is $175, and the fee for a dental hygiene license by credentials is $275, which must be paid online using a VISA, MasterCard or Discover. The fee can be used for one year from date of receipt. Pursuant to 18VAC60-25-30(F), all fees are non-refundable. Your application will not be submitted to the Board of Dentistry for review until you have submitted payment.

3. **Form A Certification of Graduation (must print form)**: Original certification of graduation by each dental hygiene school which granted you a degree or certificate. Faxed copies are not acceptable. Applicants must submit a Form A for each degree and/or certificate earned from a dental program accredited by the Commission on Dental Accreditation of the American Dental Association (CODA) or the Commission on Dental Accreditation of Canada (CDAC). The school may use this form or its own form to meet this requirement. The school/program certification form must bear the school’s/program seal or be on letterhead that bear school’s/program seal and must include the program’s CODA/CDAC accreditation status at the time you completed the program. This information is only accepted from programs accredited by the CODA or CDAC. Documentation from foreign schools is not required and will not be considered. (May be mail to the Board or emailed to the Board directly from the school/agency official representative.)

4. **Official Transcript**: Final original transcript bearing SEAL, date degree received and registrar’s signature. Copies of transcripts, certificates and diplomas are not acceptable. (May be mail directly to the Virginia Board of Dentistry, 9960 Mayland Drive, Suite 300, Henrico, VA 23233 or emailed to denbd@dhp.virginia.gov directly from the school, e-scrip, or parchment services provider. An official transcript – must be on original official school paper (sealed) or an online version that Board staff must download from the school, e-scrip or parchment services website.)

5. **Form B Chronology complete online or print form**: List ALL activities, personal and professional, to include all time periods of employment and unemployment, since receiving degree. (Resumes and curriculum vitae are not accepted as substitutes for completing the chronological listing Form B and will not be considered.) (Form B may be emailed/faxed/mail to the Board)

6. **Form C License Verification (must print from)**: Original licensure status and certification from every jurisdiction in which you currently hold or have ever held a license/registration/certification to practice as a dental hygienist or as another health care professional. Copies of permits are not accepted. Certifications cannot be older than 6 months from date prepared. (May be mail to the Board or emailed to the Board directly from the issuing state official representative.)

7. **Clinical Scores**: An original and detailed score card or report from the testing agency documenting passage of a clinical examination involving live patients is required. Candidate’s score cards are not acceptable. All score cards or reports must be requested by the applicant. (Canadian exams are not accepted.)

Applicants who successfully completed a board-approved examination five or more years prior to the date of receipt of their applications for licensure by the board may be required to retake a board-approved examination or take board-approved continuing education that meets the requirements of 18VAC60-25-190, unless they demonstrate that they have maintained clinical, unrestricted, and active practice in a jurisdiction of the United States for 48 of the past 60 months immediately prior to submission of an application for licensure. (May use the optional employment of verification form on page 8 to document employment.)

If applying by credentials: See Guidance Document 60-26 Policy On Dental Hygiene Clinical Competency Examination Requirements For Licensure, adopted June 11, 2021. See the additional requirements in numbers13 and 14 before selecting this pathway.

8. NPDB: Original current report, not older than 6 months from date prepared, must be obtained by Self Query from the National Practitioner Data Bank (NPDB), which may be requested through their website at www.npdb.hrsa.gov. Review the laws and regulations via the “Laws and Regulations” tab at www.dhp.virginia.gov/dentistry.

11. Name Change: Documentation must be provided to show each name change, if your name has ever been changed since graduation from a CODA or CDAC accredited program or were licensed in other jurisdictions or other than what is listed on your application. Photocopies of marriage licenses or court orders are accepted. (May be mailed, faxed or emailed to the Board.)

12. Address of Record and Publically Disclosable Address: Consistent with Virginia law §54.1.2400.02 and the mission of the Department of Health Professions, addresses of licensees are made available to the public. Normally, the Address of Record is the publically disclosable address. If you do not want your Address of Record to be made public, state law allows you to provide a second, publically disclosable address. Typically, this other address is the work or practice address. If you would like for your Address of Record to be made available to the public, complete both sections with the same address.

Additional requirements for licensure by credentials which is the pathway to licensure for an applicant who holds a license in another state, who passed a state administered clinical exam or one of the regional clinical exams before the dates specified for acceptance for licensure by examination in number 7 above, and who has recently practiced dentistry for at least 5 years. The applicant is additionally required to:

13. Hold a current active dental hygienist license in another jurisdiction in the United States which was obtained by successfully passing a clinical competency examination comparable to the exam required by the Commonwealth of Virginia. Submission of an original scorecard from the comparable exam or a letter from the testing agency, reflecting successful completion of the exam, is required.

14. Provide verification that they have had “clinical, ethical and legal practice for 24 months immediately preceding application for licensure”. A notarized statement from each dentist and/or agency that has employed you within the four years immediately preceding the date of your application (may use the optional employment verification form on page 8). The statement must include the printed name and address of the employer, must include the information noted on the optional employment verification form.
(see page 8), and must state the months, days and years of your employment. Only original, notarized statements are accepted.

For example, the four year period immediately preceding an application received on October 15, 2018 began on October 16, 2014. The four calendar years for this example application are:

First year: October 16, 2014 to October 15, 2015;
